Lisa:Leave Jack alone,Roman.

Roman:Ok,whatever guys,I am trying to help you how to destroy that kid's life but both of you are obviously not cooperating.

Roman:ah,you were the one missing right? The great,great mathematician Darwin,what you will do huh? Destroy Mathew with number?

Darwin:Maybe

Jack:Guys stop,I scratched myself even worse with the knife now

Roman:why did you do that?

Jack:I have severe anxiety and self-harm
